Cloyne Museum Annual Opening

I really enjoyed attending the annual opening of the Cloyne Pioneer Museum & Archives this past June. What an incredible celebration of our heritage and a great way for the community to come together! The museum is open daily from 10am to 4pm in July and August.

Federal Funding for Healthcare

Ensuring that Canadians have access to timely, affordable, and reliable healthcare is a priority for our government. The Bancroft Family Health Team recently received \$88,000 in federal funding as a means of helping to deliver on this commitment right here in Hastings—Lennox & Addington.

As a result of this funding, local healthcare services have been expanded, utilizing technology to provide remote access to specialists in urban centres. The project has resulted in three new jobs and the strengthening of two existing jobs, which will benefit Bancroft and area.

Budget 2017 invests \$6 billion over 10 years to provide Canadians with improved access to home, community, and palliative care services. This means that more people will get the care they need, and that more families will receive additional support. These investments represent our government's continuing commitment to ensuring that our healthcare system works for everyone.

I mail 4 full-sized seasonal newsletters each year to the whole riding, but also have the option of sending these smaller extra newsletters to specific communities. Are you getting enough information from me already? Please use the survey below to let me know. Please also comment on what kind of information you would like to see from me.

I get enough info from the 4 seasonal newsletters: **Y / N**

I also value the community-specific newsletter: **Y / N**
