Marmora Satellite Office Hours

I marched in the Marmora Canada Day parades in 2016 and 2017. What a great community event!

I attended the "Marmora's Got Talent" night and had a blast with everyone, including my old high school football buddy Bruce Cook!

HERE TO SERVE YOU!

My staff and I hold satellite office hours from 12:00pm to 4:00pm on the first Tuesday every-other-month at the Marmora and Lake Municipal Building (12 Bursthall Street). In 2017, that's: Jan. 3, Mar. 7, May 2, Jul. 4, Sep. 5, Nov. 7. When I am not in Ottawa, I attend these hours personally.

If these times don't work out for you, don't hesitate to call toll free 1-866-471-3800 to set up a new date or a phone meeting. We are here to help on a wide variety of federal case issues (such as EI, CRA, OAS, CPP, Veterans, and more) as well as to hear your ideas and concerns. We also hold satellite office hours in nearby Madoc and Stirling.

It's easy to stay connected!

I announced Clean Water and Waste Water Funding for the riding, including \$67,158 for Marmora and Lake.

I gave a speech in the House of Commons to tell everyone about Marmora SnoFest. Find it on YouTube!

I have attended several community events in Marmora over the last couple of years. In addition to Marmora's Got Talent (pictured), I've been to the Hastings Holstein dinner, church suppers, the fair, and several parades, as well as my regular satellite office hours in town!

After a busy time in Ottawa, it's always nice to get my feet on the ground, like I did in Marmora when I helped at a pancake breakfast with Pastor Alvin Peddle and Pastor Will Keller. This was the 6th year of a joint event between two churches in the area. The funds raised are in support of the breakfast program that runs at all three area schools. Thank you to everyone involved for this wonderful community support!

Over \$5.9 million* is invested every month in families in Hastings—Lennox and Addington through our simplified and tax-free Canada Child Benefit, which is targeted to low and middle income families (the families who need it most).

In regions like ours that have higher-than-average levels of child poverty, this means a lot. In our riding, it helps almost 17,000 children!
